SECTION 1: One membership shall be issued to each family unit; the family may utilize the Corporation's facilities upon payment of the membership fee and annual dues as fixed by the Board of Directors. A family unit is defined as members of the same household whose residence is the same as the bondholder, excluding tenants and roomers. If there is more than one bondholder, there shall be only one residence, as specified by the bondholder. Member resignation must be made in writing to the corporation on or before May 1st in order to avoid assessment of dues against the bond. Any deviation from the above shall be decided upon by the Board.²²

SECTION 2: The Board of Directors shall vote upon the acceptance to the club of each applicant recommended by the Membership Committee at their first meeting after such recommendation, and shall confer membership only upon those applications who shall be approved by two-thirds of the members of the Board present.

SECTION 3: The total authorized membership shall not exceed 325. Any membership tendered for resignation shall not be counted as a membership under this section. Residents of the Ten Hills - Hunting Ridge areas will be given priority consideration for membership should a waiting list exist. For the purpose of this section, the Ten Hills area shall include all residential property within the following boundaries: south of Edmondson Avenue from S1. Such an inactive member shall be permitted to resume full membership at any point going forward by paying the current year's dues or resuming membership the following year by paying that year's annual dues. A written request by a member to go inactive must be made before May 1st of that season. No member may be inactive for more than one season, except at the discretion of the Board. Any subsequent non-payment of annual dues will force the termination of membership. The language of this section supersedes any notation on previous and future bonds issued.²⁴

SECTION 6: Any member, for cause and after having been given an opportunity for a hearing, may be suspended for a period not exceeding three months, by a two-thirds vote of the Board of Directors present at any meeting thereof, or may be expelled by a three-fourths vote of the entire membership of the Board. Cause for suspension, or expulsion, shall, in general, consist of violation

31 Article VIII, § 2(a) - revised 02-25-92, 02-21-02

32 Article VIII, § 2(b) - revised 02-25-92

SECTION 3: This Bond shall not be transferable by the holders except as detailed within this section. A bond may be transferred to a family member, subject to the approval by the Board. In such case a new bond will be issued and an appropriate fee charged. The language of this section supersedes any notation on previous and future bonds issued.

In the event that the holder of the Bond ceases to be a member of the club for any cause, he or she may obtain a refund of the Bond paid less dues in arrears and/or other charges of any nature or description subject to the approval and consent of the Board of Directors, upon the following formula:

The member must surrender his or her Bond to the Corporation, and the Corporation shall obtain another application for membership with residents of the Ten Hills – Hunting Ridge area given priority consideration. The board will issue a Bond to the new member at the cost of \$500.00 as of January 1, 2002 plus any initiation fee the Board of Directors sets. Upon completion of this, the Corporation shall pay to the member the face value of his Bond, in no event to exceed \$300.00 for membership before January 1, 1975; not to exceed \$450.00 for membership after January 1, 1991, but before January 1, 2002; and not to exceed \$500.00 for membership after January 1, 2002. Notwithstanding that a new membership has not been obtained as a replacement for a resigned member in accordance with the above requirements, the Board of Directors may, in its discretion, authorize the refund to a resigned member of the face value of his or her Bond when, in the opinion of the Board, the making of such refund would not seriously endanger the financial position of the club. Refunds under this provision shall be made in the order of priority established by the Board. No refund under this provision may be made if thereby the total membership is reduced to below 300 members.

At its discretion, the Board may allow resigning members awaiting reimbursement of their full bond amount to exchange the full value of their respective bond in return for a single prospective season of annual dues. Such an exchange of the value of the bond in return for annual dues shall satisfy and void any reimbursements due to the resigning member regardless of any discrepancy between the cash reimbursement value of the bond and the cost of the current dues in effect at the time of the exchange.³³

After the payment of all Bonds outstanding, upon the effective date of the dissolution of the club, the surplus remaining after the redemption of all memberships outstanding at their face value, if any, shall, by a previous vote of the members at a duly called meeting, be paid over to some acceptable charitable religious, educational or other income tax exempt organization.

Any member, failing to pay dues on or before the 15th day of March, in each and every year, shall be notified by the Treasurer on or about April 1st of their dues indebtedness and that dues plus a 10% late fee must be paid within 15 days. If such indebtedness is not paid within 15 days of the notice, the delinquent member shall be suspended by the Board of Directors. If his or her indebtedness shall not be paid in full within fifteen days after the sending of such notice, he or she shall cease to be a member of the club. The Board of Directors, in their discretion, may reinstate any member upon request and repayment of the indebtedness of the club. Said suspended members shall pay as a reinstatement fee the sum of \$35.00.

Any member who has failed to pay dues before the opening day of the pool season shall have their bond taken over by the club, pursuant to the provisions of § 6 hereunder, and all indebtedness owing to the Club shall be charged against the Bond. A check shall be issued to the terminated member by the Treasurer for the balance after such indebtedness has been deducted.³⁴

34 Article VIII, § 5 - revised 02-25-92, 02-21-02, 08-03-11, 08-31-16

check issued to the terminated member for any balance after his or her indebtedness is paid. In the event that the club is unable to obtain possession of the Bond, it may be canceled on the books of the club, and a new Bond issued in the place thereof to a newly elected member of the club on payment by him or her to the club of the then value of the Bond, as fixed by these By-Laws. In the case of enforcement of a lien, as herein provided, neither the signature of the holder, nor the delivery of the Bond shall be required to perfect the transfer to the club, or to a new holder and the Treasurer of the club is hereby authorized as attorney of the holder of the Bond to make the transfer.
